IN RE: AQUILA, INC., d/b/a AQUILA NETWORKS	DOCKET NO. RPU-02-5
---	---------------------

ORDER GRANTING EXTENSION OF TIME

(Issued August 28, 2002)

On August 19, 2002, Aquila, Inc., d/b/a Aquila Networks (Aquila), filed a request for an extension of the filing date for the submission to the Utilities Board (Board) of the additional information requested in the Board's August 9, 2002, order. In support of its motion, Aquila states that while it has begun compilation of the requested information, it was unable to complete the task by the Board's August 19, 2002, filing deadline. Aquila requests the Board extend the filing deadline for the requested information by 15 days to September 3, 2002.

In conjunction with its request for an extension of time, Aquila requested the Board reconsider its request for additional information, specifically whether some of the information in the requested reports is necessary for the record. Paragraph 199 IAC 7.4(6)"e" requires complete reports be submitted. If Aquila chooses to seek a waiver of the Board's rules regarding the filing of these reports, it must do so in accordance with 199 IAC 1.3.

IT IS THEREFORE ORDERED:

1. The request to extend time filed by Aquila, Inc., d/b/a Aquila Networks, on August 19, 2002, is granted.
2. The filing date for the submission of information requested in the Board's August 9, 2002, order, is extended by 15 days to September 3, 2002.
3. The request to reconsider the amount of additional information requested by the Board in its August 9, 2002, order, is denied as described in this order.
